Re: **13-OPS-032**

Dear Mr. Purvis,

This is the final response to your June 13, 2013 Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS) for a list of the Twitter accounts followed by the DHS-run account @DHSNOCMMCI and a list of the authorized apps and widgets for the account. This office received your request on July 9, 2013.

In responding to a FOIA request, the DHS office of Operations Coordination and Planning will search for responsive documents in its control on the date the search began. We began our search on July 9, 2013.

We are granting your request under the FOIA, Title 5 U.S.C. § 552, as amended, and DHS' implementing regulations, 6 C.F.R. Chapter I and Part 5. After carefully reviewing the responsive documents, I determined that they are appropriate for public release. They are enclosed in their entirety; no deletions or exemptions have been claimed.

Provisions of the FOIA allow us to recover part of the cost of complying with your request. In this instance, because the cost is below the \$14 minimum, there is no charge.

If you need to contact us about this request, please refer to **13-OPS-032**. You may contact this office at 202-447-4156.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Page".
